## PHOTOGRAPHY

**P**hotography is our passion; it's what drives us every day to achieve excellence and what makes the rest of our services possible. With more than 6.400 projects shot with some of the best Real Estate Agencies, Luxury Hotels, Architects and Designers on the planet, we specialize in giving your property that emotional look that captures all the attention.

- Real Estate
- Interior Design
- Architecture
- Hotels
- Restaurants
- Landscapes

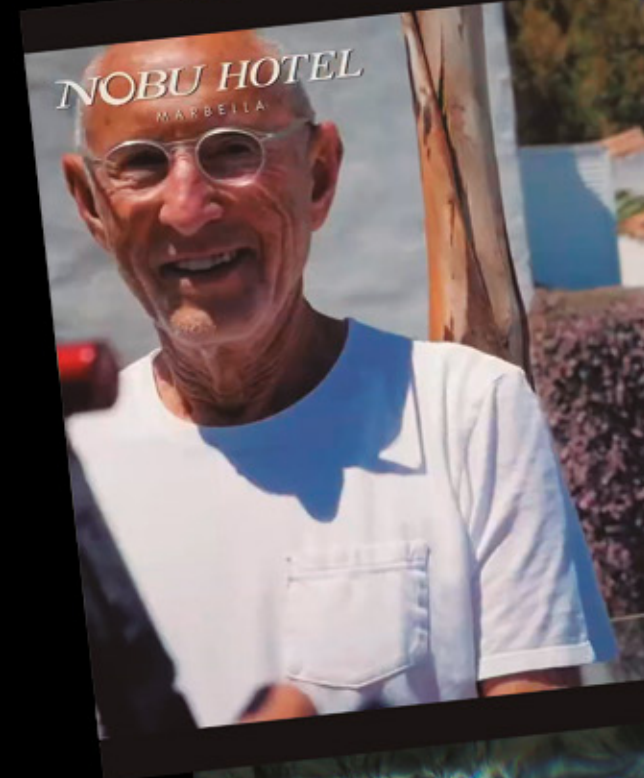

## VIDEO PRODUCTION

**T**echnology is evolving towards video. At Charly Simon, we make sure to offer second to none video production services to ensure our client's property or business shines at its best. Our portfolio includes exclusive quality brands and world-class professionals and celebrities that have trusted us for their video needs.

## DRONE SERVICES

**A**erial images are a very important part of our business. Most properties look amazing from the sky, and for that, we have one of the best fully certified pilots in the country, which we combine with our top of the line photo and video editing services. From plot views to impressive images of your property or business, aerial images are the next step in photography and video marketing.

## ART GALLERY / PHOTO PRINTING

**W**e have shot over 1 million images; and we were fortunate enough to work on some of the best landscapes in the world such as the Atacama Desert in Chile, Seychelles, Dubai... We provide a very extensive art gallery for your home, business, or designers and home decor enthusiasts. The pieces come in very different sizes, materials, and finishes. You are welcome to stop by our Marbella Golden Mile Showroom for an immersive experience, or you can also check out our website and we can provide you with all the necessary information.

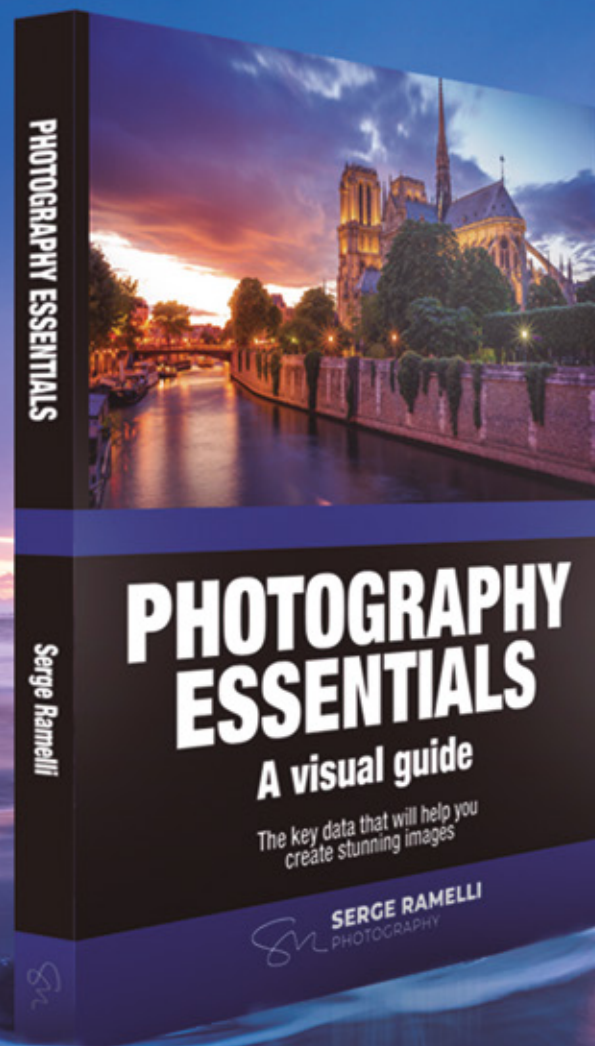

## GRAPHIC DESIGN

**W**hen running a business, graphic design is extremely important to succeed. At some point, we all need some corporate branding, photo retouching, advertising design, digital catalogs, business cards, logo creation, printed books... If you can imagine it, we can create it for you.

## HOME AND DIGITAL STAGING / 3D RENDERING

**W**ith this latest revolutionary technology, we make sure Real Estate and Interior Design professionals have all they need to sell a property. Transforming a house from real photographs, so the potential client can see what his future home will look like. We offer several styles of decor, from classic to contemporary or modern. Choose whichever suits your taste.

## EVENTS

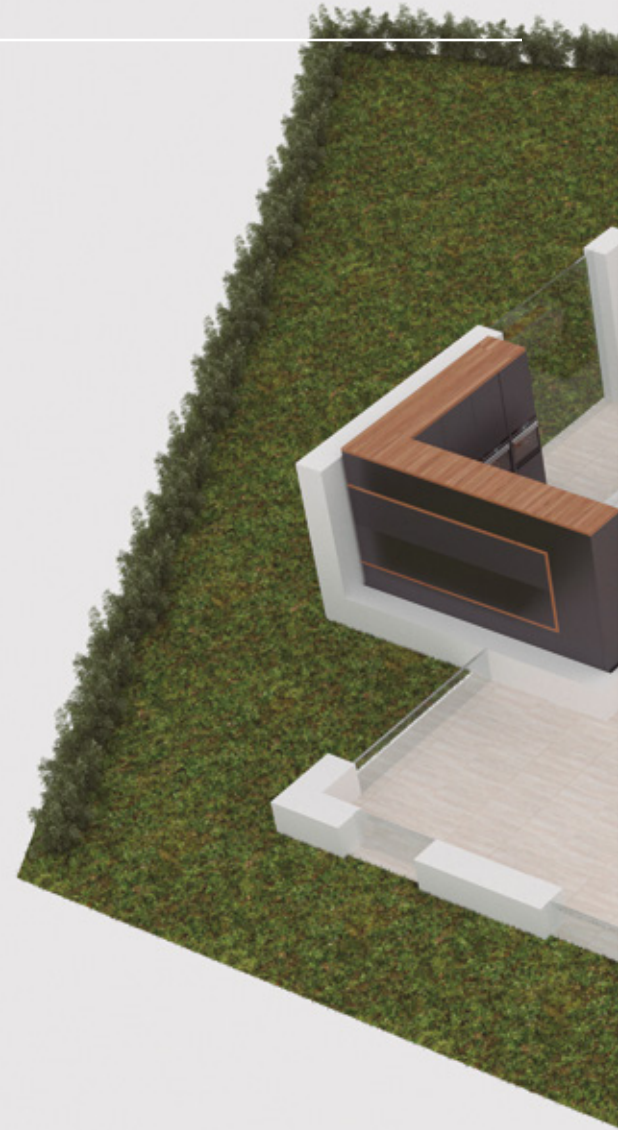

**W**ith more than 300 luxury events covered, we make sure your event shines as it should. We have worked for top quality companies like Bentley Motors, Ferrari, Dani Garcia, Puente Romano... Let us make your event a special one to remember.

## 2D / 3D PLANS

**W**e love architecture and design, therefore we work to provide the best imaging services for your properties. Having current and digital plans for a property could be the key to selling or renovating. We provide extremely accurate professional architectural plans for properties in 2D and 3D, depending on your needs. An amazing tool you will really enjoy.

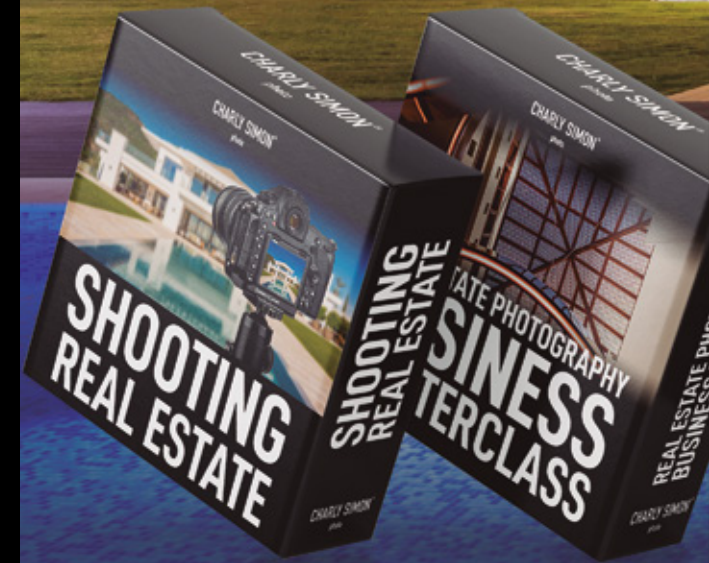

## ONLINE / IN PRESENCE TRAINING

**T**raining is a huge part of our organization, so we always empower it. We provide bilingual photography and business training. You could be starting photography or maybe wanting to get to the next level. We can help you with our simple and very practical method of teaching. Feel free to contact us for a personalized proposal.
